SHIA IMAM RÅD I NORGE

BEMERKNINGER / VEILEDNING

1. Denne timetabellen for tilbedelse (Salat) er i følge astronomisk informasjon, tatt fra "ALMANAKK FOR NORGE 2010" samt www.astronomi.no.
2. Det er viktig at det blir tatt hensyn til timeendringene som skjer på siste søndager av måneden mars og oktober altså en times forskjell.
3. I månedene mai - august er ikke Fajr tiden angitt, da tiden ikke er angitt i astronomiske data. Derfor anbefales at Fajr-bønnen utføres ca. 30 minutter før soloppgang pga "ehtiyat=حُتْيَاط".
4. Det går ann å lese Asr-bønnen rett etter Zohr-bønnen, og Isha-bønnen rett etter Maghrib-bønnen, men det er best å lese dem hver for seg (på tiden som står på tabellen).
5. Denne tabellen gjelder også for fasting i Ramadhan og andre fastedager.
6. Hvert år blir timetabellen korrigert etter Oslo bønnetider. Forandring i bønnetidene fra år til år er kun noen få minutter. Det er derfor ikke nødvendig å trykke nytt tabell hvert år. Denne tabellen er gyldig t.o.m. en nytt underretning.
7. Muslimer i andre byer i Norge bør justere bønnetiden etter differanse forhold til Oslo.
8. For videre informasjon, vennligst kontakt oss per post eller internett, www.tauheed.no.

MOSKÉPROSJEKT PÅ HAUKETO (TAUHEED ISLAMIC CENTRE)

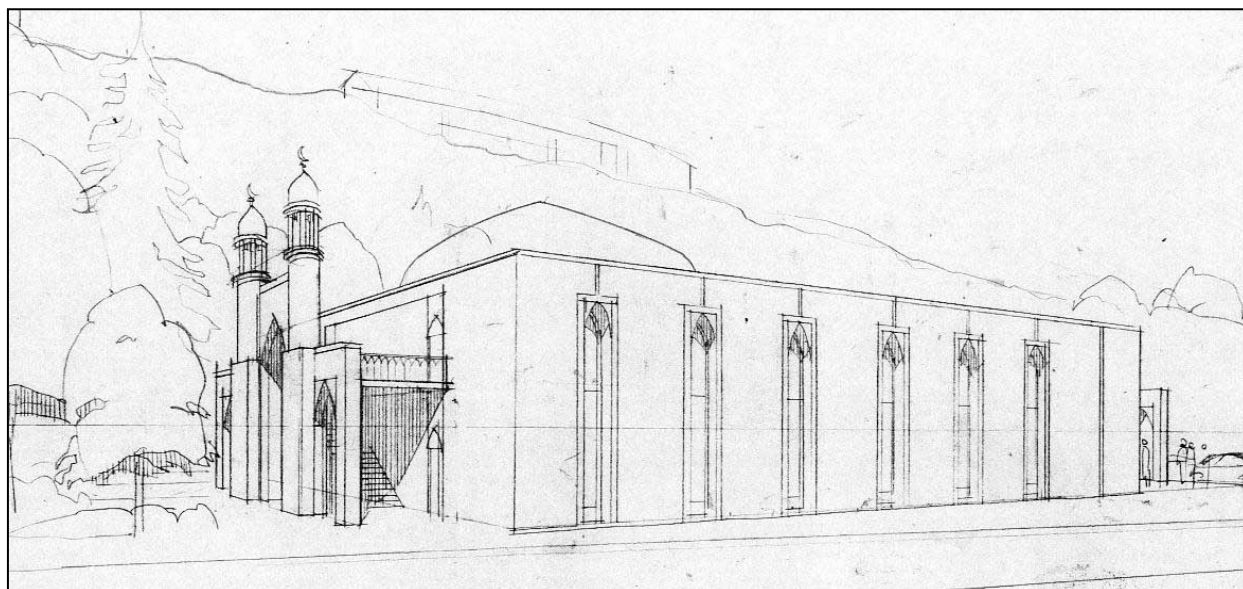

Tauheed Islamic Centre er en av de største religiøse organisasjonene for shiamuslimer i Norge. Den har mer enn 700 medlemmer fra land som Pakistan, India, Afghanistan, Irak, Iran, Libanon, Norge, osv. Det arrangeres aktiviteter som felles bønn, spesielt fredagsbønn, duas på kveldene, barneskole i helgene, samt dars-e-Quran og dars for kvinner og ungdommer en gang i året.

For å optimalisere målene og visjonene våre har Imamia Trust kjøpt en tomt (2000 kvm) på Hauketo, Oslo. Den norske regjeringen har gitt tillatelse til Imamia Trust til å bygge et islamsk senter (moské & skole, madrassa etc.) i Oslo. Denne tomten ble kjøpt i 2000. Byggingen av dette prosjektet skal starte i nærmeste tid.

For å fullføre dette prosjektet trenger vi om lag 12 millioner norske kroner. Din støtte er viktig for prosjektet. Vær med og hjelp! Hvert eneste bidrag vil være viktig for mosképrosjektet. For mer informasjon rundt betaling se siste side.

Du kan også bidra til prosjektet på følgende måter:

- Bidra økonomisk til dette mosképrosjektet (se siste side).
- Være hovedmedlem av Imamia Trust å donere 100 000 norske kroner.
- Kjøp en Musalla (et bønnested) ved å donere 5 000 kroner.
- Å ta ansvar for en del av prosjektet.
